At **Beautiful Smiles**, we believe that you deserve the best care. That's why we always present you with the best dental solution possible to treat your personal situation. Each year we provide outstanding dental care to hundreds of patients. Some patients have dental benefits but some don't. If you have dental benefits, you are very fortunate. Your dental benefits are based upon a contract made between your employer and an insurance company. **If you have questions regarding your dental benefits please contact your employer or insurance company directly.**

We here at **Beautiful Smiles** maintain computerized histories of payment by a given company. Unfortunately, they do change; therefore it is impossible to give you a guaranteed quote at the time of service. We estimate your portion not only based on the most up-to-date information we have, but also by the information that is given to us by the insurance representative when we call your insurance company to verify your dental coverage, but it is **ONLY AN ESTIMATE**.

We bill your insurance company as a courtesy. If the insurance company does not pay within 60 days, **Beautiful Smiles** reserves the right to request payment in full for services from you and let you collect the insurance funds that are due to you. This is rare but it is important that you recognize that the insurance you have is a legal contract between **you and your insurance company**. Our office is not and cannot be part of that legal contract. Ultimately, you are responsible for all charges incurred in our office.

Beautiful Smiles does require payment in full for your portion at the time of service. We accept Mastercard, Visa, Discover, American Express, cash and checks. If you are in need of an extended finance option, we also work with **Care Credit**, which offers up to twelve month "same as cash" or longer terms with no interest or interest bearing revolving charge designed to meet your treatment plan needs on approved credit.

BROKEN APPOINTMENTS: A specific amount of time is reserved especially for you and we strongly encourage all patients to keep their appointments. If you must change your appointment, **we require at least 48 hours notice** to avoid a **\$50 broken appointment fee per half hour** (emergencies are an exception). We confirm appointments as a courtesy but keeping appointments is ultimately the patient's responsibility.

We welcome you and your family and look forward to helping you get the healthy, beautiful smile you've always wanted. If there is anything we can do to make your visits here more pleasant, please don't hesitate to ask one of our staff members.
